| <input checked="" type="checkbox"/> The right to due process of law | |

Explain ▶

Our proposed policy respects the following individual rights because it doesn't interfere with any of these rights such as these following examples of age, religion, nationality, etc.

FORM 11

CONSTITUTIONAL OPINION FORM (CONTINUED)

3 Government is not allowed to interfere with a person's freedom of belief. Our proposed public policy (does/does not) violate this limit on the power of government. Explain why.

Our proposed public policy does not violate or place limitations of any kind on Citizens freedom of belief, as it only impacts school start times.

4 Government is not allowed to place unreasonable and unfair limits on a person's right to express him- or herself in speech, writing, or by other means. Our proposed public policy (does/does not) violate this limit on the power of government. Explain why.

Our proposed public policy does not violate any limitations on the power of government regarding Citizens freedom of expression. Our policy only impacts school start times and it does not interfere with this right.

5 Government is not allowed to take a person's life, liberty, or property without giving that person a fair hearing in a court of law or before another authorized agency of government.

Our proposed public policy (does/does not) violate this limit on the power of government. Explain why.

Our proposed public policy does not interfere with the right to due process, as it does not impact the process of the courts for any individual.

6 Government is not allowed to invade the privacy of a person's home without a very good reason for doing so. Our proposed public policy (does/does not) violate this limit on the power of government. Explain why.

Our proposed public policy does not interfere with anyones right to privacy. Our policy only deals with school start times, not involving the government in individuals personal matters.

7 Government is not allowed to make laws that unreasonably or unfairly discriminate against people on the basis of race, religion, age, ethnic group (national origin), or gender. Our proposed public policy (does/does not) violate this limit on the power of government. Explain why.

Our proposed public policy does not discriminate against any group of people, it only allows students to obtain the necessary amount of sleep to be successful.

Summary Statement

Write a summary statement in which you support your belief that your proposed public policy does not violate the Constitution or interfere with these rights.

Our proposed public policy does not violate any constitutional rights because it is not discriminatory and it does not impact Citizens ability to live their lives freely.
